All application forms and sponsor letters must be completed and returned to the ASES office by October 12 2020. Applications received after that date cannot be considered.

Instructions

1. Applicant must be no more than 10 years out of their fellowship.
2. Please complete this form and return it via email along with a current photo and your CV listing of presentations and publications related to the shoulder and elbow to:

3. Ask two sponsors (and only two) to send letters of recommendation to the above address. One sponsor must be a member of the ASES, the second sponsor must be an orthopaedic surgeon, but does not have to be an ASES member. The application, along with the sponsor letters, will then be forwarded to the members of the Exchange Fellowship Committee for review. This letter can be emailed instead of sending a hard copy, if preferred.
