ASES Foundation's 2022 National Shoulder & Elbow Week Agendas

City: **Knoxville, TN**

Date: **Thursday, 9/22/22**

Hours: **6 PM – 9 PM**

Location: **The Foundry at World's Fair Park, www.foundonfair.com**

Address: **747 World's Fair Park Drive, Knoxville, TN 37902**

Event Description:

The meeting will be held in the historic 1982 World's Fair Park in downtown Knoxville. The venue is casual rustic and has a rags to riches theme. Sam Venable is our non-medical guest speaker and has made something from nothing and has many books and accolades to show for it.

Our second guest speaker is Dr. Bill Youmans. He was one of the first Orthopedic surgeons to put sports medicine on the map. He decided not only to become specialized in the types of surgeries frequently needed by athletes, but he also became the official doctor for the University of Tennessee. He and others like Lanny Johnson back pioneered arthroscopy as the way of the future.

Agenda:

6:00 - 7:00 pm - Cocktail hour with heavy Hors d'oeuvres beer and local moonshine and bourbon

7:00 - 7:10 - Introduction and information about ASES - **Dr Edwin Spencer**

7:10- 7:20 - Innovation in Orthopaedics - **Dr Brett Sanders**

7:20 -7:30 - Advances in Shoulder Arthroplasty - **Dr Justin Kennon**

7:30- 7:40 - Advances in Shoulder Arthroscopy - **Dr Nick Dantzker**

7:40- 8:00 - How Sports Medicine Evolved as a Specialty - Dr Bill Youmans

8:00- 8:30 – **"How the Hell did I get Here?" - Sam Venable**

8:30- 9:00 - Closing

Keynote Speakers:

Sam Venable. Sam is a humorist and local legend who has authored 12 books and received numerous journalism awards. He began writing for the Knoxville News Sentinel in 1970 and was the paper's outdoor editor for 15 years and metro columnist for 30 years.

Bill Youmans MD. Bill is a Vanderbilt graduate where he attended both medical school and their residency program. He was a pioneer in sports medicine and was the consulting surgeon for the University of Tennessee athletics from 1968 until his retirement.

Academic Presentations:

1. **Brett Sanders MD**, "Innovations in Orthopaedics"
2. **Justin Kennon MD**, "Advances in Shoulder Arthroplasty"
3. **Nick Dantzker MD**, "Advances in Shoulder Arthroscopy"
4. **Bill Youmans MD**, "How Sports Medicine Evolved as a Specialty"
- 5.

ASES Foundation's 2022 National Shoulder & Elbow Week Agendas

City: Philadelphia, PA

Date: Friday, 9/23/22

Hours: 6 PM – 9:30 PM

Location: The Barnes Foundation Museum, www.barnesfoundation.org

Address: 2025 Benjamin Franklin Parkway Philadelphia, PA 19130

Event Description:

Please join us for a special evening of art, food and cocktails at the Barnes Foundation as we hear from keynote speakers Dr. Evan Flatow and Karen Flatow. Located in the heart of Center City Philadelphia, the Barnes Museum houses an impressive collection of the world's most important paintings, including works by Renoir, Cézanne, Matisse, and Picasso. Enjoy a refined culinary experience in a light filled event space with an expansive terrace and private access to the art collection as we raise awareness and funds for shoulder and elbow research and education.

Agenda:

6:00 – 7:30: Welcome Introduction, private access to the art collection with docents

6:30 – 7:30: Vendor sponsor presentations, Hors d'oeuvres, cocktails

7:30 – 8:30: Academic/Guest Speakers and Dinner

Evan L. Flatow, MD, President, Mount Sinai West Hospital, "Innovations in Shoulder Surgery"

Karen Flatow, MFA, MBA, Founder, Hesse Flatow Gallery, "An Artist's View on Medicine and Surgery in the Barnes Collection"

8:30 – 9:00: Dessert, Open Bar

9:00 – Closing remarks

Keynote Speakers:

Evan L. Flatow, MD, President, Mount Sinai West Hospital, Lasker Professor of Orthopedic Surgery

Topic: Dr. Flatow is an internationally renowned expert in shoulder and elbow surgery. He serves on the Board of Trustees of the ASES Foundation. A nationally and internationally recognized leader in shoulder surgery, he has made many important clinical, educational, and research contributions to the care of shoulder disorders.

Guest Speaker(s):

Karen Flatow, MFA, MBA, Founder, Hesse Flatow Gallery

Topic: Karen Hesse Flatow received an MBA and MFA from Columbia University and attended the Skowhegan School of Painting and Sculpture. She founded the Hesse Flatow gallery in 2019, which is an artist-run gallery focusing on emerging and mid-career artists with diverse voices. As the wife of Dr. Flatow for over 35 years, she is uniquely poised to comment on the intersection of art and shoulder surgery.
