**ABSTRACT OF RESEARCH PLAN:** Please provide a 100-word executive summary with 5 underlined phrases for planned project in the box below. State the application's broad, long-term objectives and specific aims, making reference to the health relatedness of the project. Describe concisely the research design and methods for achieving these goals at 6 and 12 month timelines. Avoid summaries of past accomplishments and the use of the first person. This description is meant to serve as a succinct and accurate description of the proposed work when separated from the application.

DO NOT EXCEED THE SPACE PROVIDED.

**PERFORMANCE SITE(S)** (organization, city, state) Indicate where the work described in the Research Plan will be conducted. If there is more than one performance site, list all the sites, including V.A. facilities and provide an explanation on the Resources page (HH) of the application.

**KEY PERSONNEL**. Use continuation pages as needed to provide the required information in the format shown below. Describe specific functions under justification on form Page EE.

Name	<b>Organization</b>	Role on Project	
		Principal Investigator	
		Co-Principal Investigator	

Type the name of the principal investigator at the top of each printed page and each continuation page.
