

AMERICAN SHOULDER AND ELBOW SURGEONS FOUNDATION

Help patients with shoulder and elbow pain – their health is in your hands!

- Help train young shoulder and elbow specialists committed to providing high-quality care
- Support prevention of shoulder & elbow injuries
- Contribute to critical research and specialized physician education
 - Support latest discoveries and innovative treatments in shoulder & elbow surgery

The Benefits of Making a Charitable Gift to the ASES Foundation

- Every dollar will be used to directly support the specialty of shoulder and elbow surgery
- Donors will be recognized on the ASES Foundation Webpage
- Donations made to the ASESF are tax deductible to the extent permitted by law
